**Planned Giving is Alive and Well--  
But How Do You Get Beyond the Basics?**

Lunch and conversation with  
**Rosanna M. Felix**

Once you have started a basic planned giving program for your organization, how do you grow and sustain it during these challenging economic times? In this session, participants will learn about the changes that are occurring in the planned giving field, and what they must do to ensure success for their organizations.

***FREE lunch program for current  
LEAVE A LEGACY York County Partners!***  
*Non-partners are welcome to attend for \$15.00/person.*

*Rosanna M. Felix*, recently retired from Lutheran Social Services of South Central Pennsylvania where she served as Vice President of Philanthropy and Executive Director of the LSS Foundation, has 22 years of successful fundraising experience for educational institutions and social services organizations. Serving in leadership positions in those non-profit organizations, she has comprehensive fundraising experience in annual giving, capital campaigns, major and planned gifts, special events, corporate and foundation relations, donor recognition, volunteer management, public relations and communications. In 2008, she was named Fund Raising Executive of the Year by the Central PA Chapter of the Association of Fund Raising Professionals. She is currently a Senior Consultant for Farr Consulting.
